Dissertation Research Study

Patrick Baker, Fine and Performing Arts Coordinator at Elmhurst District 205 and student at the University of Illinois, is seeking school HR professionals to assist with his dissertation research. The focus is on examining ways in which information-rich exchanges and structured interviews (such as HumanEx Ventures for Excellence) influence decision-making and

mitigate bias. If you are interested in assisting, please access the survey [HERE](#). From the pool of respondents, Patrick will then select individuals for a follow-up interview.

Job Postings in IASPA This Week!

IASPA is creating a pilot job-posting program for HR and HR-related Central Office vacancies. Currently, we are posting positions via IASPA This Week. In the future, job postings will be placed on our IASPA website with optional social media postings and newsletter mentions.

Currently, IASPA Professional Members may post positions at no cost. Districts without a professional member may post positions for a fee of \$50 for two newsletter mentions. An invoice will be sent to the email address included in this GoogleForm; upon payment, the posting shall be sent out.

We look forward to helping you find the perfect candidate!
