IASPA Website & FY 23 Association Membership Dues

Great news! IASPA will be launching its new and very much improved website within the next few weeks.

One of the benefits of the new system is that we can automatically send you a link to renew your IASPA dues. If you are an IASPA member, toward the end of next week or over the weekend, you will receive an email from us with a link to renew your membership. Click it, set up your member profile, and pay your dues - easy peasy.

Remember that the IASPA membership year is July 1 - June 30, so renew your dues early to take full advantage of the full membership year.

Dissertation Research Study

Patrick Baker, Fine and Performing Arts Coordinator at Elmhurst District 205 and student at the University of Illinois, is seeking school HR professionals to assist with his dissertation research. The focus is on examining ways in which information-rich exchanges and structured interviews (such as HumanEx Ventures for Excellence) influence decision-making and mitigate bias. If you are interested in assisting, please access the survey [HERE](#). From the pool of respondents, Patrick will then select individuals for a follow-up interview.
