New IASPA Website & Membership Renewal

Great news! IASPA launched its [new website!](#) You should have received an email on Friday, July 1st prompting you to renew your IASPA Membership for the 22/23 school year. [check your spam folder if you did not receive it.] The link will take you directly to our new website, and you can pay right there (no more PayPal!).

Remember that the IASPA membership year is July 1 - June 30, so renew your dues early to take full advantage of the full membership year.

Please set up your profile in your account - including your photo! This will then allow your information to show up in our new Member Directory. Members can then search for colleagues in certain districts, counties, etc.

While you're there, take a look around the website - you'll see events, resources, and more!
