Dissertation Study Assistance Needed

Patrick Baker, Director of Arts, PE, and Health at Elmhurst District 205 and student at the University of Illinois, is seeking school HR Professionals to assist with his dissertation research. His focus is on examining ways in which information-rich exchanges and structured interviews (such as HumanEx Ventures for Excellence) influence decision-making and mitigate bias.

If you are interested in assisting and have not already taken the survey, please access it [HERE](#). The survey has 10 questions and should take no longer than 15 minutes to complete.

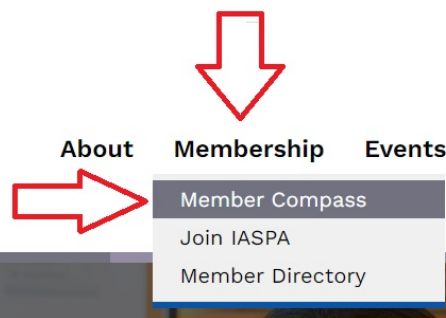

Patrick will then select individuals from the pool of respondents for a follow-up interview. Information regarding the follow-up interview will be provided at the conclusion of the survey, and respondents can indicate whether they wish to participate.

Contact Patrick directly with questions at pmbaker2@illinois.edu.
