CEO

ICA

20<sup>th</sup> July 2021

Dear Mr. Gary Roskin ,

It is a long time since we were all able to meet at a Jewellery Show here in Hong Kong or indeed anywhere around the world. So, we are particularly happy to announce that GAHK's mission of Internationalization of the Fei Cui Standard (more information on Fei Cui Standard website <https://feicui.gahk.org/international>, <https://feicui.gahk.org/20210420news>) has reached a new height; we will be hosting a seminar at the HKTDC Hong Kong International Jewellery Show from (HK Time) 1:45-3:00pm on 27/7/2021 (zoom login 1:20pm, onsite reception 1:30pm). The topic will be *The Internationalization of the Fei Cui Standard: Globalised Harmonisation Work Across Key Stakeholders & Associated Regulatory Communities.*

Keynote speakers CIBJO President Dr Gaetano Cavalieri, Mr Kent Wong from CTF Jewellery Group & Fei Cui Standard Project Industry Adviser, Prof Yang Mingxing from GIC & Fei Cui Standard Project Expert Adviser, and Dr Yang Lixin from NGTC & AGA will address different aspects of this international programme, and following this an online panel discussion will bring international experts from CIBJO, GIC, AIGS and GIT in to join and expand the discussion.

We hope that you will be able to join us at this event. Of course, we should be delighted to see you here in Hong Kong, and if you are able to attend the show and the seminar in person, please do join us at the HKCEC. But even if you cannot actually travel here at the moment, we hope that you will join us remotely. Details of the Facebook live stream and Zoom registration and log-in are as follows:
