Hello,

Excitement is building as we get closer to this year's conference in Chicago, IL!

Registration is filling up quickly this year, and we are expecting to sell out, which means **there will be no on-site registration available**.

We are now just **31 days away from the conference on July 8th**, so if you are planning to attend, now is the time to secure your spot and register in advance.

Not sure if you're already registered? Want to make sure you got that guest ticket for your spouse or significant other? Just send us an email and we'll be happy to confirm your status.

Don't wait! Once we reach capacity, registration will close.
