

## Exhibitor & Sponsor Information

# IDAA's 76th Annual Conference

July 9-13th, 2025

The Davenport Grand  
Spokane, WA

IDAA 2025 - SPOKANE

Starting in 2021, IDAA invited professionals dedicated to issues of healthcare professionals' wellbeing, including the treatment, and monitoring of substance use disorders, to sponsor and exhibit at our annual conference. This was a wonderful opportunity for IDAA to increase awareness and understanding of our organization's mission and goals. We look forward to offering this to professional providers and organizations wishing to exhibit at our Annual Conference in Spokane.

## Important Information

Since this is a recovery-oriented meeting catering to the needs of persons and families impacted by substance use disorder, we ask exhibitors to respect the following guidelines:

- Confine marketing activities to the designated exhibit space
- Do not offer food, beverages, or other consumables that could be unsafe for persons in recovery or could result in a positive urine screen for persons in a monitoring program (includes fermented beverages, poppy seeds, CBD products)
- Exhibitors will NOT be provided with contact information for registrants attending the conference.
- Respect the confidentiality and anonymity of the attendees and sign a confidentiality statement. Any information obtained during the conference must be done so directly with the individual.
- Photo and video containing attendees at the annual meeting are prohibited.
- **We ask that you respect the anonymity of our membership by not attending any AA, Family Recovery, or Breakout meetings**
