### **Center for Lyme Action Announces Virtual Advocacy Day**

Calling all advocates passionate about Lyme and tick-borne diseases! The Center for Lyme Action invites you to be part of our Virtual Advocacy Day aimed at growing FY27 federal funding and policy solutions for Lyme and tick-borne disease research, prevention, and response.

✨ Our combined efforts have grown federal funding by half a billion dollars, and now, we aim to continue this positive trajectory.

💛 Your advocacy matters! Let's ensure our voices are heard and secure vital resources for Lyme and tick-borne disease initiatives. Your commitment is invaluable in shaping the future of Lyme and tick-borne diseases.

Register today at [centerforlymeaction.org/events](https://centerforlymeaction.org/events)! For more information, email [info@centerforlymeaction.org](mailto:info@centerforlymeaction.org) or visit the website.

## Missouri Clinicians Needed!

We were notified by one of our ILADS Ambassadors that an active Lyme clinician in Missouri passed away. There are no other clinicians in that state focusing on treating Lyme patients that we are aware of. If you are a clinician interested in getting a license to treat patients via telemedicine, please start here:

<https://pr.mo.gov/healingarts-application-forms.asp>

Additionally, email [contact@ilads.org](mailto:contact@ilads.org) if you have any contacts in Missouri that we can invite to join and/or that we can pass along to our Ambassador helping that community. Thank you!
