Registration Open for 2026 ILADS Scientific European Conference

Early-bird Rates End February 28

London, UK | April 16-18, 2026

Join us in London this April as clinicians, researchers, and experts from across disciplines convene for two and a half days of focused education and discussion on tick-borne illnesses in Europe.

Program Highlights Include:

- Fundamentals of diagnosing and treating Lyme and tick-borne disease
- Full day Friday and Saturday of scientific presentations covering topics such as pediatric and congenital implications of TBD, neuropsychiatric manifestations, persistence and immune dysregulation, diagnostic advancements and more.
- Evening social events and networking opportunities with physician leaders from around the globe
- Exhibitors showcasing medical services
- Continuing Medical Education (CME) credit
