Upcoming Events

Information covered in this workshop will include:

3-day training: January 13– Audit Only
: January 14– January 15—Validator

Water Audit 101: Training will consist of instructions on how to complete a water audit for your utility. The Audit class is for anyone interested in learning about the process and how to use the AWWA Free Audit Software to complete their audit for the IFA reporting requirement. This class is also a pre-requisite to take the Validator training on day 2 and day 3

Validator Training: This 2-Day Training will conclude with a written exam. Participants will receive a digital copy of the AWWA M36 Water Audits Manual and the Water Research Foundation's Level 1 Water Audit Validation Guidance.

Presenters to include: Michael Simpson & Aaron Horbovetz (M.E. Simpson Co., Inc.)
Jeff Cunningham (Core & Main) Dan Moran (Citizens Energy Group)

Pending IDEM Approval
