

Muncie Sanitary District  
*Muncie, Indiana*

**District Administrator**

**Salary range: Up to \$120,000 (flexibility for exceptional candidates)**

**Application deadline: February 16, 2026.**

The Muncie Sanitary District is seeking an experienced and collaborative **District Administrator** to lead a well-run, financially stable public utility serving the Muncie community. This executive role oversees day-to-day operations, staff leadership, budgeting, capital planning, and regulatory compliance for a multi-department sanitary and wastewater organization with a AAA bond rating and an annual budget of approximately \$39.5 million.

The Administrator will partner closely with the Board of Sanitary Commissioners to guide major capital investments, succession planning, and long-term strategic initiatives while serving as a visible and trusted representative of the District.

To view additional qualifications and submit your resume (reflecting years and months of employment including beginning/ending dates), cover letter, and a list of six work-related references (two supervisors, two direct reports, and two colleagues) please go to: <https://cpshr.us/recruitment/2566>
