# CREATIVE CAPITAL ACCESS COLLABORATIVE (CCAC)

Innovating capital access, fueling entrepreneurship, and capturing the ROI of the future economy, together!

**CCAC** is about creating a world where entrepreneurs driving the future economy have access to the capital they need to unlock innovation, equity, and prosperity for all. CCAC brings partners together to design and deploy creative capital solutions for undercapitalized founders fueling the next economy.

## OUTSIZED MEMBER ROI

CCAC members benefit from higher ROIs and measurable impact

### ESOs

**Increase:**

- Inclusive Capital for founders
- Earned Income
- Funder partnerships

### Investors

**Access:**

- High growth multicultural markets
- De-risked deal flow
- Quicker returns

### Impact Funders

**Multiply:**

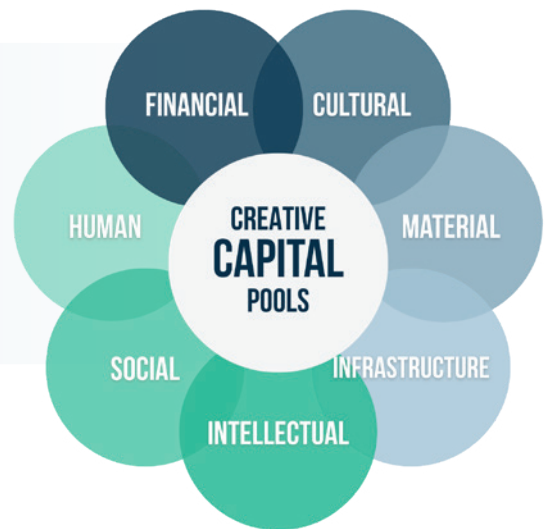

- Economic Impact
- Catalytic funds
- Systemic change

### Corporate Investors

**Acquire:**

- Innovation pipeline
- Multicultural market segments
- Supplier diversity

Many high-potential businesses stall early, not for lack of ROI, but because traditional systems of investment and lending overlook them. **We build creative capital pools that break barriers.**
