

Sunbelt 2026 Virtual Poster Presentations

This document contains important information about the setup, time, and length of virtual poster presentations.

Date, Time, and Location

- Please find your poster in [Whova](#). Virtual posters will be available throughout the entirety of the conference for participants to view and engage with. Please plan to monitor the chat in your poster throughout the conference to answer any questions and engage with participants.

Poster Setup – Deadline Tuesday, June 16!

- You will receive an email from [Whova](#) containing your unique link to set up your poster. We strongly suggest setting up your poster through a laptop or desktop.
 - *Note: only those who are actively presenting posters and who are registered for the conference will be able to access Whova. Co-authors who are not participating in the conference will not be able to access Whova.*
- After clicking on the link, you'll be brought to your unique poster set-up. The poster title and abstract are already listed.
- Complete all required fields – provide as much information as possible for participants to engage with!
- Once you've completed all required fields, click the blue **Save** button at the bottom of the page.
- Your poster must be ready to launch by **Tuesday, June 16, 2026**.

Monitoring the Chat

- To monitor the chat, log into Whova from a laptop or desktop.
- Navigate to **Agenda** on the left side of the screen and select **Posters**.
- Find the title of your poster and click **Enter**.
- Please monitor the chat in your poster throughout the conference and respond to participants in a timely manner.
- Please be prepared to answer questions from and interact with participants about your poster!
