

JOIN THE LEADERSHIP KERNERSVILLE CLASS OF 2020

Thank you for your interest in Leadership Kernersville. This program has a rich history of involvement from community leaders that dates back to the initial class of 1992-1993. We have found that participation builds a special bond among class members in addition to the opportunity members have to learn about and understand key community issues and meet community leaders.

The goal of Leadership Kernersville is to strengthen our community by encouraging individual involvement in leadership roles.

Some of the highlights of the 2019-2020 programs include:

You will meet many key community leaders — from Kernersville, the county and the Triad.

You will be provided with insight as to how Kernersville functions as a community.

You will have the ability to give back to the community directly by participating in a Group Project.

The overall topics are:

- Welcome Reception
- Team Building at Camp Hanes
- Human Services
- Fire
- Government Day
- History
- Education
- Economic Development
- Law Enforcement
- Health Services + Graduation

Group Project:

Each member of Leadership Kernersville will be placed in a group to complete a group project. Each group will have the responsibility to come up with a creative way to raise money or complete a task for a Kernersville non-profit selected from a pre-approved list. It will require extra time spent outside of the program and all members must participate in the project in order to graduate.
