## Water Quality – Consumer Confidence Report "Good Faith Effort"

System:	PWSID:
information on the	egulations require that a community water system provide an annual report to its customers containing uality of the water delivered by the system. The report must also include the risks from exposure to ted in the drinking water.
	nust also make a good-faith effort to reach consumers who do not get water bills. A good-faith effort is to be umer who is served by the system but is not a bill-paying customer, such as a renter or worker.
