GROW YOUR LEADERSHIP SKILLS WITH YLA

Exciting Experiences

The medical community, local government, the criminal justice system... YLA members get a backstage pass to all this and more!

Leadership 101

YLA members graduate from the program with confidence in skills like networking, communication, and team building, ones they will use for the rest of their lives.

Community Involvement

Leaders give back to their communities, and so do YLA members. Opportunities and service projects are an important part of the program.

Do you know a rising junior or senior in the Augusta area looking to grow as a leader? Youth Leadership Augusta, a 10-month program of Leadership Augusta and the Augusta Metro Chamber of Commerce, will accept online applications starting March 1. This dynamic program is designed to educate and motivate young leaders, equipping them with the skills and experiences needed to take an active role in the Augusta community.

Don't miss this FREE opportunity. Apply beginning March 1!
