

Kevin Yue

Associate and Senior Environmental Engineer at Stantec

Kevin Yue is an Associate and Senior Environmental Engineer at Stantec, licensed as a Professional Engineer (PE) and a Certified Environmental Professional (CEP). He is focused in bettering our environment through remediating contaminated lands and waters. He has a passion to connect our community with nature and tries to be outside as much as possible. A graduate of Leadership Collier, Kevin has connected with many members of Collier County's community leaders and serves on the Board of Trustees for the Corkscrew Regional Ecosystem Watershed (CREW) Land and Water Trust, as Treasurer of the Southwest Florida Association of Environmental Professionals. Kevin helped expand Alpha Phi Omega National Service Fraternity's presence in Southwest Florida by helping start a Chapter at Florida SouthWestern State College and is currently working to start a chapter at Florida Gulf Coast University. Born and raised in New Jersey and a transplant to Florida from Maryland, Kevin has gained experience in a number of fields, including in agriculture and water resources. Kevin and his wife Andrea are kept busy by their three amazing daughters with their variety of interests.
