AI Tools (Suite)

Explore

BUILT FOR SCHOOLS

Student data, protected

We're happy to sign additional district or school data privacy agreements

FERPA-safe environment

Your data stays private and is never used to train AI models.

1EdTech TrustEd Apps

Endorsed under the TrustEd Apps Pledge for responsible edtech data practices.

District-level agreements

We'll sign your district or school's own student data privacy agreement.

BUILT FOR SCHOOLS

Evidenced Based Tools

No hallucinating! Using tools that only generate based on data and information from you.

Never Generates Fake Data

Programmed on the back end to never make up information

Prompts Users for Appropriate Information

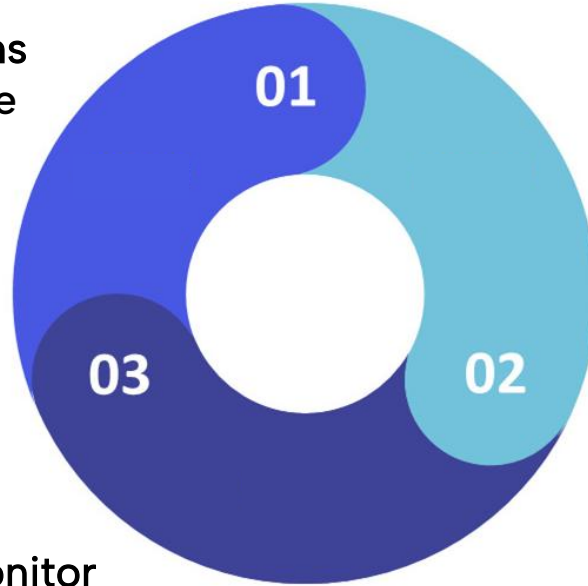

Evidenced based - guiding users to add appropriate and necessary data

Draws from Research Based Interventions

Endorsed under the TrustEd Apps Pledge for responsible edtech data practices.

IEP Cycle

Document Strengths
and Needs to define
services (IEP and
Eligibility)

Provide Services and
Interventions
(Implementation, LRE,
Related Services, etc.)

Progress Monitor
Goals (Collect Data
and/or Assess)

CERTIFICATION COURSE

What problems are you facing in special education?

INSIDE THE PRODUCT

One place for caseloads, instruction, progress monitoring, and IEP writing

The screenshot shows the 'Back to School Checklist' page. The header includes the user 'Elyn (playgroundiep.com)' and a 'District View' dropdown. The left sidebar has sections for 'Home' (Dashboard, Students), 'Tools' (IEP Copilot, Chat IEP, Progress Monitoring, Meeting Scheduler), and 'Admin' (Upload Caseload). The main content area is titled 'Let's get Playground Demo District ready for 2026-27' and 'Back to School Checklist'. It lists 'ACTION ITEMS' with two tasks: 'Update your staff roster' (In progress) and 'Update your caseload' (Not started). Below this, 'Recommended next steps' includes 'Send staff orientation' (Not started).

District View

Let's get Playground Demo District ready for 2026-27

Back to School Checklist

A few quick steps to get your team and caseloads ready before back to school.

ACTION ITEMS

Setup checklist Required [Watch tutorial](#)

These two get your district ready for day one.

- ☐ **Update your staff roster**
Add team members who've joined and remove anyone who's left since last year. In progress
- ☐ **Update your caseload**
Upload your current student caseload so cases are ready before training day. Not started

Recommended next steps Optional — smoother start to the year

- ☐ **Send staff orientation** Not started

The screenshot shows the 'Students' view. The header includes the user 'Elyn Demo' and a 'District View' dropdown. The left sidebar has sections for 'Home' (Dashboard, Students), 'Tools' (IEP Copilot, Chat IEP, Progress Monitoring, Meeting Scheduler), and 'Admin' (Upload Caseload). The main content area is titled 'Students' and shows a list of students with columns for 'Student', 'Service', and 'Category'. The list includes 10 students, each with a unique ID and a status indicator (e.g., 'IEP', '504').
