

Aspiring Leaders

Professional Development for educators aspiring to lead and considering going back to school for Special Education Administration

MASE

Minnesota Administrators
for Special Education

YOU ARE INVITED

Come participate in a panel discussion for future leaders in Special Education. You are welcome to attend one of the multiple opportunities offered.

CONVERSATION TOPICS

- What is your why?
- What inspired you to become a Director?
- Lessons from the field.
- What is the best part of your job?
- Who inspired you?
- **NEW! SpEd Finance Overview.** One of the more complex components of special education leadership is finance, and we are here to help! Join MASE for an overview of Special Education finance. This session will provide an overview of special education finance to help aspiring leaders build their skillset (and confidence!) as they embark on their leadership journey.
