**Join Us for an Evening of Networking
Before the 35th Annual Golf Tournament!**

The MBCEA New England Chapter is excited to invite you to a Member Meet-Up at a local brewery on the evening before our **35th Annual Golf Tournament**

Whether you're a new member looking to make connections or a longtime member catching up with industry friends, this informal gathering is a great opportunity to build relationships, exchange ideas, and engage in meaningful member-to-member conversations with fellow professionals from across the metal building industry.

Enjoy appetizers, light snacks, and refreshments in a relaxed atmosphere while connecting with contractors, erectors, manufacturers, suppliers, and industry partners from throughout New England. If you're planning to attend the golf tournament the following day, this is the perfect way to kick off the event, reconnect with colleagues, and welcome members who may be joining us for the first time.

There is no agenda—just great conversation, valuable networking, and an opportunity to strengthen the connections that make the MBCEA New England Chapter such a vibrant and supportive community. We hope you'll join us for this special evening and help us celebrate another successful year of fellowship, collaboration, and industry partnership.

Please RSVP by 7/1/26.

We look forward to seeing you at the brewery and on the course at our 35th Annual Golf Tournament!
All registered attendees will receive (2) drink tickets
