BE A PART OF MBCEA

The only association solely dedicated to YOU...the contractors and erectors of the metal building industry.

Membership Pays for Itself!

Benefit from Continuous Learning!

MBCEA members receive FREE access to online metal building erection training. The 11 modules in the Quality and Craftsmanship 101 Series cover a general overview of each phase of the building process.

You can even test your employees online, to be recognized as Quality Assured Craftsmen through the Metal Buildings Institute.

Members also benefit from FREE access to full training packages to be utilized by your company safety trainer like Bolting & Aligning, CDZ, Fall Protection Basics, GHS, and Rigging Basics.

Education for your management personnel and field crew is available face to face at the chapter level and during the annual conference.

JOIN US TODAY!

"The MBCEA is an organization that puts metal building contractors and erectors in touch with their national peer group. They provide extensive training capabilities through MBI and provide valuable assistance with the AC478 certification."
