AC478 PANEL VIRTUAL EVENT

July 9, 2026
12 - 1 PM EST

AC478 Accredited members will share their success stories, experiences

costly rework and delays. Join Trimble for an exciting webinar designed specifically for metal fabricators and erectors looking to enhance their workflows with efficiency. We will demonstrate how to elevate your QA/QC protocols, streamline collaboration, and mitigate risk by creating a seamless, connected workflow from initial design to final erection.

ASSOCIATION

What benefits has your company experienced
due to the AC478 process and accreditation?

“AC478 helps you to constantly monitor, evaluate, improve, and document your quality, safety and training protocols and procedures. As a result of our AC478 accreditation, we have seen a renewed focus and attention in the three critical areas of quality, safety and training.”

—Steven Hudgins, LEED AP, Rainwater Construction Company
