ENJOY THE BEAUTY OF CRANBERRY HARVEST FROM A RESPECTFUL DISTANCE AND GIVE GROWERS AND HARVEST CREWS PLENTY OF SPACE TO DO WHAT THEY DO BEST.

## TIPS FOR A SAFE **VIEWING** EXPERIENCE

### *What to do*

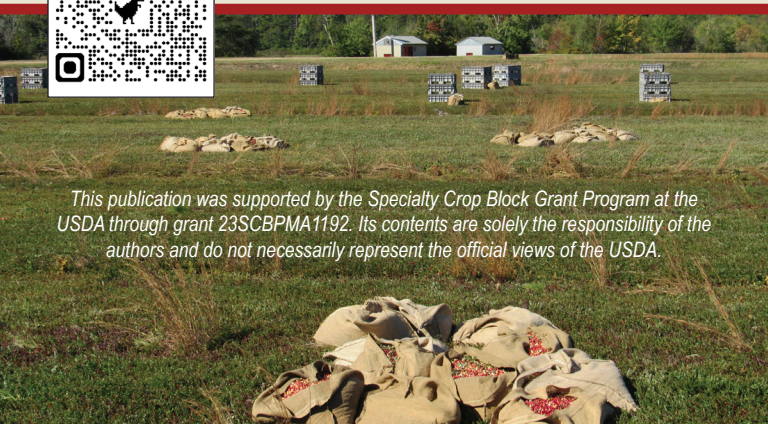

- Safely pull completely off the road.
- Remain along the roadside unless specifically invited onto the property.
- Watch for trucks entering and exiting.
- Keep children/pets close and pick up after them.
- Respect private property and all posted signs.
- Take photos and tag #MassCranberries on socials!

### *What not to do*

- Stop/park in the road or block farm entrances, gates, or equipment access.
- Trespass, walk on, or reach into a bog; flooded bogs have deep ditches that are not visible.
- Pick the cranberries without permission.
- Touch, climb on, or approach farm machinery.
- Interrupt or impede growers and harvest crews.
