## Janus Youth Programs

is a leader in creating innovative, community-based services which enhance the quality of life for children, youth, and families. We work in partnership with others to create a safe and healthy community.

## Boys and Girls Aid

was founded in response to a crisis. Children were being abandoned on the streets of Portland with nowhere to go. The agency created a home for these children to go to and connection in the community to find families for them.

## PROJECT CARE

For many years, Project Care has provided gifts and needed goods for the White Shield Center. With the closing of the shelter this summer, the Service Committee has found two new local charities to support this year.

Project Care is an annual opportunity to give back to the community while creating special memories for the children we support. Won't you join us?

## HOLIDAY PRESENTS

Your monetary donation will be used to provide individual gifts to the children of Harry's Mother Shelter, Transitional Living and Seneca House.

## FACILITY NEEDS

Additional funds will be used to provide goods needed for the ongoing operations of the shelters including linens, towels, journals, and more.

*The Multifamily NW Foundation is a Section 501(c) (3) charitable organization, EIN 85-1666798. All donations are deemed tax-deductible absent any limitations on deductibility applicable to a particular taxpayer. No goods or services were provided in exchange for your contribution.*
