

Cutting Edge / Drug Discovery & Development Symposium in Michigan

Monday, October 20, 2025
Washtenaw Community College
Ann Arbor

Presented By:

Showcase your work: CALL FOR SCIENTIFIC POSTERS

Academic drug discovery has emerged greatly as an adjunct approach to traditional pharmaceutical development in the drive to deliver innovative new medicines. The Cutting Edge / Drug Discovery & Development Symposium will showcase drug R&D activities at the state's research institutions and biotech/pharma companies, and discuss their science capabilities and enterprises. The program is meant to bring together representatives from academia and the bio-industry, as well as others, to talk about drug development efforts in Michigan and future capacity for partnerships.

POSTER SUBMISSIONS

The symposium is an excellent opportunity to share research, case studies, and new technologies. Poster must be relevant to the main program topics:

- Assay Development and Screening
- Clinical Trials and Development
- Decision Support and Tools
- Medicinal Chemistry and Lead Discovery
- Platform Enabling Technologies
- Pre-Clinical Optimization
- Target ID & Validation

Poster abstracts containing abstract title, author, description and university affiliation should be submitted to stephen@michbio.org.

SUBMISSION DEADLINE:

October 10, 2025

There is no cost to submit an abstract, but event registration fee is required upon poster acceptance.

POSTER SPECIFICATIONS:

Poster dimensions are 48"x36" and must be landscape orientation.

PRESENTATIONS:

Poster viewing will take place throughout the day during networking breaks and lunch in the exhibit hall.
