

We would like to introduce you to: **Move For Hunger**

What is Move For Hunger?

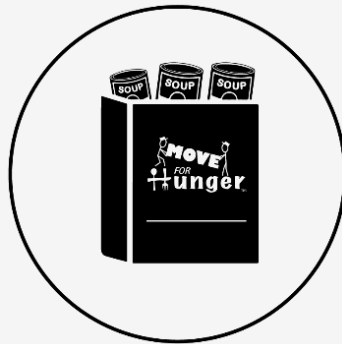

As you are aware, during the move out process, people throw out a good deal of “stuff.” Unfortunately, a lot of this “stuff” is food that could be delivered to a family in need rather than thrown away. That is where Move For Hunger comes in.

How Can you Help?

By teaming up with relocation companies across the country, Move For Hunger has created one of the nation’s largest year-round service programs. Professional Moving Companies and CORT Furniture offer to pick up the unwanted, non-perishable food items from our communities and deliver it to their local food banks.

When a resident gives notice that they will be moving out, please provide them with the Program Letter and a Food Collection Bag.

Encourage them to place any non-perishable food items that they are not taking with them and wish to donate in the bag.

When you've collected a few bags, call Move For Hunger. We will arrange a local transportation partner to pick up the food and deliver to your local food bank.
