*Hometown services. Hometown strengths.
Hometown solutions.*

We are the Minnesota Municipal Utilities Association (MMUA)

For more than ninety years, the Minnesota Municipal Utilities Association (MMUA) has advocated for the interests of municipal utilities throughout the state. As a nonprofit member-led trade association, MMUA unites community leaders, utility professionals, and volunteers to ensure reliable, affordable, and sustainable services for the people of Minnesota.

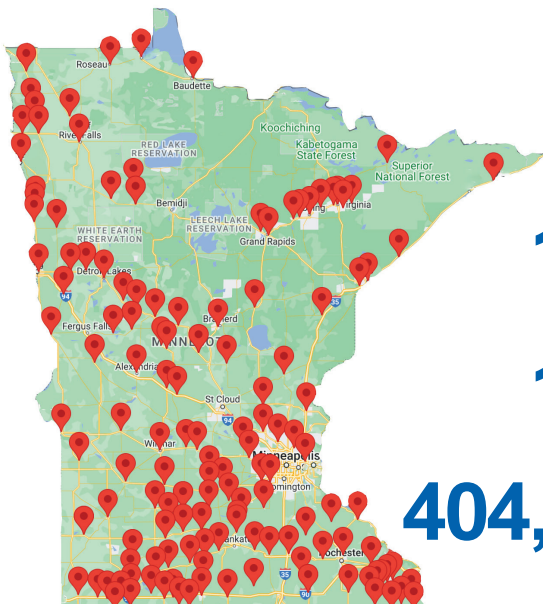

Join us in strengthening hometown services, building on local strengths, and showcasing the value of community ownership.

Our Vision

To be a nationally recognized leader in advocacy, bringing value to municipal utilities, and enhancing their position in the industry.

Our Mission

To unify, support, and serve as a common voice for municipal utilities.

33

municipal gas utilities
serve Minnesotans

120

municipal electric
utilities serve
Minnesotans

177

municipal water utilities
are MMUA members

404,558

customers are served
by municipal electric
utilities

50

of the 87 county seats
operate an electric or
gas utility

50

customers are served by
the smallest municipal
utility, Nielsville

1,320

customers represent the
median service level for
a MN municipal utility

61,000

customers are served
by the largest municipal
utility, Rochester

Our Compass

MMUA plays five important roles as it carries out its mission. Together, they guide our work and ensure we continuously provide value to Minnesota's hometown utilities.

Lead

- Represent municipal utilities at state and federal levels.
- Build leadership skills through MMUA programs.
- Form partnerships to advance shared priorities.

Advocate

- Champion member interests in legislative and regulatory arenas.
- Provide expert technical guidance.
- Help address challenges from city hall to field operations.

Unite

- Deliver consulting, training, and compliance resources.
- Host conferences and networking events.
- Promote peer knowledge-sharing.

Support

- Coordinate mutual aid and emergency recovery.
- Offer preparedness training and resources.
- Provide HR tools like surveys, training, workforce development, and policy support.

Serve

- Keep members informed through MMUA communications.
- Assist with grant opportunities, drug and alcohol compliance, and other specialized needs.
- Provide operational and strategic planning support.

Take the step to strengthen your utility or community
and become part of the legacy of leadership,
advocacy, and service that is shaping the future of
Minnesota's municipal utilities.

Become an MMUA member

Empower your municipal utility with the support, resources,
and advocacy needed to thrive. For more information, visit
