

# Chemical Hazards and Hazard Communication Training

---

The purpose of this program is to provide training to employees of small businesses in communities throughout the Midwest on chemical hazards and hazard communication. The valuable training is offered at no cost to employees and owners of businesses, with an added training segment for supervisors. A session will be scheduled in communities that are interested through September 2025.

**For more information, please contact Blaine Chaulklin at [bchaulklin@mmua.org](mailto:bchaulklin@mmua.org).**

## TRAINING DETAILS:

- 60 minute training session
- Additional 60 minutes for supervisors and owners
- Intended for small business workers as a new learning or refresher course

## TOPICS TO BE COVERED:

- Identifying hazardous chemicals
- Potential health impacts
- Emergency best practices
- Hazard prevention and control
