MICHIGAN PHARMACISTS ASSOCIATION

MEMBER RESOURCE GUIDE

GROUP MEMBERSHIP

FREQUENTLY ASKED QUESTIONS

Enroll your pharmacy, health system or buying group together and give your whole team the benefits of MPA membership, for less.

Up to 35%

off individual dues, tiered by team size

$2,075

estimated annual value for pharmacist and technician members

5 min

to apply online. Two or more team members qualify as a group

OVERVIEW

01 WHAT IS GROUP MEMBERSHIP?

MPA group membership lets a pharmacy, health system or buying group enroll its team together and save **up to 35% off individual dues.**

Any organization enrolling two or more team members qualifies. Pharmacists and pharmacy technicians are both eligible, and the more of your team you enroll, the more everyone saves. Your organization is the member: it receives one group invoice a year, and each person on the roster gets full MPA member benefits through the group.

BENEFITS & ROI

02 WHY SHOULD MY TEAM JOIN?

$2,075
EST. ANNUAL VALUE

Membership pays for itself quickly. MPA conservatively estimates the annual value at **about $2,075 for pharmacist and technician members alike. Technicians get the same benefits for just $40 a year.**

For your organization, group membership is an investment in your team's growth and retention. It gives your staff a stronger voice in Michigan pharmacy policy and connects them with colleagues across the state. Every member receives:

Continuing education
Up to 50% off CE and MPA programs, plus about $250 off ACE registration.

Advocacy
Representation with Michigan lawmakers and regulators on scope, reimbursement and patient access.

Expert help from MPA staff
Free support with board rules, licensing and payer questions.

News & resources
Michigan Pharmacist, PRN news, practice resources and legislative updates.

Networking
Practice sections, local associations and events across the state.

Leadership
Committee and board service, plus awards that recognize excellence.

Member discounts
Savings on meetings, events, insurance and partner products and services. See all Membership Benefits →

PRICING

03 HOW MUCH DOES IT COST?

Your discount tier is based on your combined pharmacist and technician headcount. Standard dues are **$316** for an active pharmacist and **$40** for a technician.

TEAM SIZE	DISCOUNT	PHARMACIST RATE	TECHNICIAN RATE
2–10 members	**15% off**	$268.60 / member	$34 / member
11–20 members	**20% off**	$252.80 / member	$32 / member
21–49 members	**30% off**	$221.20 / member	$28 / member
50+ members	**Custom**	Up to 35% off with a custom package	

Team members in other categories, such as new practitioners, residents, retired pharmacists and academia, receive the same tier discount off their own category's rate.

50+?
LARGE GROUPS

Enrolling 50 or more team members? **Start by completing the application.** We'll then contact you to put together a custom group package for your organization.

ENROLLMENT

04 HOW DO WE ENROLL?

Enrollment takes four simple steps, and MPA handles the setup.

1

Apply online

Complete the Group Membership Application. It takes about 5 minutes.

2

Complete your roster

We'll send you a roster to list your team members, including current MPA members.

3

Receive one group invoice

Your invoice is based on your confirmed roster.

4

Your team gets access

Once payment is received, each member gets a Member Compass welcome email with login instructions.

QUESTIONS & ANSWERS

05 COMMON QUESTIONS

Q How do we apply?

Complete the online Group Membership Application. Your primary contact fills it out once for the whole organization. It takes about 5 minutes.

Q We have 50 or more team members. What do we do?

Start by completing the application, just like any other group. Once we receive it, we'll contact you to put together a custom package for your organization, with savings of up to 35%.

Q Some of our team are already MPA members. Should we include them?

Yes. List everyone on the roster, including current members. Their current membership runs through its end date, and their group membership begins after that.

Q Who manages our group?

Your primary contact manages the roster, coordinates billing and is MPA's main point of contact for enrollment, renewals and changes.

Q How does renewal work?

Your organization receives one renewal invoice each year. Before each renewal, we ask your primary contact to confirm the roster so you can remove anyone who has left and add new staff.

Q Can we add team members during the year?

Yes. Contact MPA and we'll help you add them to your group.

Q Can team members update their own information?

Yes. Once their membership is active, each person can log in to Member Compass to update their details.

Q Is a joint MPA + APhA option available?

Coming soon: MPA + APhA joint membership will bundle state and national membership in one. Stay tuned for details.

PRACTICE SECTIONS & RESOURCES

06 FIND YOUR COMMUNITY

Every member can join up to two practice sections, each with its own education, networking, leadership and advocacy. Members also choose one of 12 local associations across Michigan.

MSHP

Michigan Society of Health-System Pharmacists

Hospital and health-system practice, clinical care and patient safety.

Visit MSHP →

MSCP
