

Safe Drinking Water Act

SDWA: A review of the SDWA from A-Z. Covering the essential items that apply to water operators and water operators in charge. It will review the responsibilities placed on the operator in charge of water systems and provide the information needed to help them keep their water system in compliance with the SDWA rules and regulations. EGGLE Requirements and Relationships: Review of the duties of an operator/operator in charge that are regulated under the SDWA. It will go over submissions to EGGLE, violations, public notices, consent agreements, sanitary surveys and site visits.
