

DC Quality Initiative Conference

| October 1, 2025 |

7:30 AM	Registration & Breakfast with Vendors		
8:30 - 10:15 AM	Metropolitan Project Opportunities Meeting DDOT, VDOT, WMATA, MWAA, VPRA, DGS		
10:15 - 10:45 AM	Break with Vendors		
10:45 - 11:45 AM	Room 1	Room 2	Room 3
	Bridges & Structures	Infrastructure & Project Delivery	Safety
	Stantec "Replacement of Molly Berry Road Bridge" 30 & Siva Corrosion Services, Inc. "Designing and Achieving 100-year Service Life for New Harry Nice Bridge" 30	JMT "From "Dave Thomas Circle" to "Peanut Plaza": A Multimodal Reconfiguration of the Florida & New York Avenue Intersection" 30 & Parsons "Benning Road Bridges and Transportation Improvements Project Phase 1 – Complex Design with an Eye Towards the Future" 30	T3 Design Corporation "I-66 and us 15 Diverging Diamond Interchange – Before and After Safety Analysis" 20 & T3 Design Corporation "Improving Safety with Traffic Calming" 20 & Morgan State University "A blind spot warning with hedging application to promote defensive driving" 20
11:45 AM - 1:00 PM	Lunch Buffet & Innovation Showcase - Regional Focus		
1:00 - 1:30 PM	Break with Vendors		
1:30 - 2:30 PM	Room 1	Room 2	Room 3
	Communication	Ped & Micro Mobility	Transit
	Pennoni "Speaking the Same Language: Multi-Generational Communication" 60	Fehr & Peers "Complete Networks: A Performance-Based, Multimodal Planning Tool" 30 & Traffic Systems & Technology (TS&T) "The Power Lidar to change Road Safety Now" 30	Ernest Maier "Enhancing Transportation Infrastructure with Advanced Carbon Fiber & Corrosion Mitigation Technologies" 30 & Howard University Transportation Research Center "Leveraging Digital Twin Technology for Sustainable and Efficient Public Transportation" 30
2:30 - 3:00 PM	Break with Vendors		
3:00 - 4:00 PM	Room 1	Room 2	Room 3
	The Future of Transportation	Innovation in Construction Materials & Technology	Asset & Data Management
	Morgan State University "Pilots to Possibilities – A Nationwide Scan of Connected Vehicle Deployments Powering the Future of Mobility" 30 & JMT "Modernizing Traffic Management Infrastructure in DC" 30	DGS - District of Columbia Public Schools "A High-Caliber Quality Control & Assurance Program: Case Study on District of Columbia Public School Construction Projects" 30 & Profile Products "Vegetative Establishment with Biotic Soil Media as a Topsoil/Compost Replacement" FLEX	Transconomy "Delivering Data for Data Driven Decision Making – Leveraging the power of AI and Machine Learning to generate transportation asset inventories" 30 & Mead & Hunt "DDOT Probe-Based Signal Performance Measures Pilot" 30
4:00 - 5:00 PM	District Networking Mixer with Vendors		
5:00 PM	Conference Adjourns
