

Metro West BRIDGE Award Nomination Application

Submission Deadline: September 21

BRIDGE Award Purpose

The BRIDGE Award - Building Relationships & Inspiring Development, Growth & Excellence

This award recognizes an outstanding partnership between a Metro West Municipal Member and a Metro West Business Partner for achieving a shared goal that strengthens a community. Collaborative effort, innovative ideas and a commitment to making a difference are at the forefront of this honor and illustrate how the public and private sectors can work together to create lasting impact. This bridging partnership has resulted in a project which benefits residents, businesses and future generations.

Eligibility

- Only ONE Bridge Award nomination is allowed per business partner each year.
- Collaborative project between a business partner and at least one Metro West municipality.
- The project must have been completed within the past three years with demonstrated outcomes.
- Both the business partner and the municipality must be current members of Metro West.
- Self-nominations welcome.
