Business Partner Membership Program

Why Should I Partner with Metro West?

Networking and Relationship Building

“The Metro West staff, through their partnership program, has provided us with access to resources, networks and provided **opportunities to form and build relationships**. The revised website and the creation of the “networking nights” has provided **unprecedented opportunities to network with the Metro West communities.**”

Gordon Smith
Government Affairs Manager
Robinson Engineering

Founded in 2004, **Metro West Council of Government** is an inter-governmental association of 37 municipalities serving a population of 750,000 in Kane, DeKalb and Kendall counties of Illinois.

By becoming a Metro West Business Partner your organization has the ability to foster real relationships in an up-close and personal way. Through group networking events, targeted communications, optional sponsorships and personal dialogue, Metro West offers plenty of engagement opportunities with our members and municipal decision makers.

You can increase your organization’s marketing exposure by joining Metro West! Choose one of our membership levels - Platinum, Gold, Silver, or Community* - each with its own level benefits.

We hope you will join us!

Executive Director, Metro West

Collaboration that Makes a Difference

“EEI has been part of the Metro West business partner program from the outset. **It has been a huge benefit for our firm. The program affords us unfettered access to key local and regional decision-makers.** We get timely updates on relevant legislative developments and programs. We are participating in Metro West initiatives with the State agencies that are benefiting our clients and the region. Metro West is a forward-thinking organization with great leadership. **The business partner program is truly a collaborative experience.**”
