

**INTRODUCING SLYNGSHOT, A POWERFUL NEW PLATFORM THAT HELPS YOU
TO CREATE AND LAUNCH AWESOME BUSINESS IDEAS.**

Why we made this

Launching a company is hard. It takes time, experience, and knowledge that most people with great ideas don't have. We believe that everyone should be able to harness the power of their ideas to build a better life - this is why we built a product that makes it fast and easy to go from idea to action.

Our Solution

Slyngshot is a mobile friendly web tool that lets you create and organize your ideas. All you need is brainpower and a pair of thumbs. Our app walks you through every step, from dreaming up an idea to crafting a plan, and uses that info to generate a website you can instantly share with friends and supporters. Slyngshot makes it fast and easy to launch a great idea.

THE ULTIMATE WORKSHOP

Bring your existing ideas to life or create new ones.

EASY, FAST, MOBILE

Quickly generate new ideas and create companies from anywhere.

Built by experts

Slyngshot was built by a team of subject matter experts and experienced founders at the Singleton Foundation - an organization dedicated to promoting entrepreneurship and financial literacy. Every aspect of this platform was created to help aspiring entrepreneurs take that first big step towards launching their idea.
