

STEM/SHIFT

An Innovation Summit

Hosted by
the University of South Florida
In Collaboration with NASA

Register Now for STEM/SHIFT 2024

A Journey of Immersive Learning and Innovation

STEM/SHIFT is a national summit focused on building momentum towards STEM business creation by developing new use applications for technologies within NASA's patent portfolio. This event offers an unparalleled hands-on, immersive experience for college faculty, administrators, staff, and students from all academic disciplines and departments. Whether you're a seasoned professional or an aspiring entrepreneur, STEM/SHIFT welcomes you to a dynamic environment where innovation knows no bounds.

Explore, Connect, and Celebrate Innovation

At STEM/SHIFT, the focus is not just on theoretical learning; it's on practical application. Participants will have the opportunity to apply the invention mindset and design thinking in the thrilling Patentthon competition, conducted in collaboration with NASA's Technology Transfer University (T2U) program. This competition is where ideas take flight and where groundbreaking solutions come to life.

Location

USF Research Park
3814 Spectrum Blvd
Tampa, FL

February 23 & 24, 2024
