Valparaiso University Presented with NACCU's 2020 Best Video Award

Phoenix, AZ – May 7, 2020 – NACCU is proud to announce that Valparaiso University is the recipient of the NACCU 2020 Best Video Award. Chris Corum from CR80News announced the award recipient during the virtual NACCU 2020 Awards Ceremony event on April 27, 2020.

The NACCU Best Video Award recognizes an institution's use of video to communicate the purpose and intent of the card center. It may promote use of the campus card and other related technology. This award recipient is selected by NACCU member vote.

“We are so honored that you’ve selected our video for an award,” said Jonathan Plant, OneCard Operations Manager at Valpo. “One of the many ways that NACCU is special is the way that we share ideas and inspiration with each other. When it came time for us to create our OneCard video, we went to the NACCU video awards from the past for inspiration. Hopefully we have added something useful to that pool for others to draw from as well.”

NACCU congratulates Valparaiso University as the recipient of the NACCU 2020 Best Video Award.
