Located just steps off the boardwalk in Downtown Bethany Beach, Bethany Beach Books has been **Bethany's only independent bookstore since 1991.** Bethany Beach Books is family-owned and operated.

Bethany Beach is best known as a **vacation destination for many families** and visitors from the **Washington DC, Baltimore, and Philadelphia areas.** With the boardwalk and beach just feet away, we are located on a prime corner of our main street. The store is about 2,100 square feet.

Every summer Bethany Beach bursts with business as our population increases to tens of thousands of visitors. Due to this huge influx in population, we concentrate most of our events from mid-June to mid-August. **We host over 125 events every year within these 15 weeks.**
