COVID - 19 PROCEDURES for this HOME

We are fortunate to be working for this family. Please observe the following precautions to protect them, your fellow workers and yourself.

- If you are coughing or have a fever DO NOT ENTER
- Enter home through the designated entrance ONLY
- Sanitize hands when you first enter home with hand sanitizer or alcohol wipes. Repeat when leaving for the day.
- Maintain “Social Distance” of six feet from others
- Wear mask if performing dusty tasks to prevent sneezing
- Maintain dust barriers while working at all times
