& Moderators

## How to Arrive... and Thrive at NATOIA's Conference

Check out these useful **TIPS** and **TRICKS**

- ⇒ There are usually multiple sessions and/or events going on at the same time. **TRICK:** Prioritize the educational and networking events you need to attend to meet your goals, but also branch out and learn new things.
- ⇒ The name badge that you receive at registration is your ticket to sessions, receptions and the exhibit hall so it's important that you wear it at all conference-related events. **TIP:** Pick-up your first-timer ribbon at registration and wear it with pride! It's a great way to start a conversation with other attendees.
- ⇒ Be on time (early if possible). **TRICK:** Our keynote lunches are typically FULL HOUSES so get there early to grab a seat of your choice with a colleague or friend. Introduce yourself to the table and discuss sessions. The most important takeaways from the conference are the relationships you develop!
- ⇒ Session Q&A: Feel free to ask questions but it's important to note that media and the companies you have questions about may be in the room. **TIP:** Sensitive questions should be handled at the end of the session, on breaks, lunch, and always in a professional manner.
- ⇒ Visit the exhibitors and have them sign your passport that you pick-up at registration. Our exhibitors are an important part of the conference. **TIP:** Turn in your completed passport by lunch on Wednesday for a drawing for some great prizes including a free 2023 conference registration!
- ⇒ After the event, complete the post-conference evaluation and let us know how your experience was – we love input from our first timers!

# How to Arrive... and Thrive at NATOIA's Conference

## Link Up with Your Local Chapter Attendees and Representatives

NATOIA has chapters throughout the country that deal with more localized issues and hold yearly events near you! Many chapters meet during the conference – visit the NATOIA registration desk for a list of chapter meetings and locations. Chapter meetings will be held at 6:00 PM on Tuesday, you do not need to be a member of a chapter to attend — another great way to get to know attendees in your area. Looking to connect with a Chapter President before the chapter meetings? Just ask NATOIA staff – they will point you in the right direction.
