

THE RESILIENCE INITIATIVE

# TEAM TRAININGS

## IT'S TIME TO DISCOVER YOUR TEAM'S WHY.

Success happens when we unearth individual insight with collective synergy. That's why the WHY.os team training drives your people to connect like never before.

Our algorithm delivers remarkably revealing and immediately actionable results. During this four-hour event, we'll partner endearing humor, powerful collaboration, and deep understanding in a process that will **help your team understand the WHY, HOW, and WHAT** behind their decisions.

In other words, our goal is to help you uncover the central element in your Zone of Genius so you can unleash your passion and talent.

**When you know your WHY, your team has more impact.**

## WHAT OTHERS SAY

*"I was stunned that such a short assessment was able to so quickly and accurately articulate who I am and what makes me tick."*

**STEPHANIE K.**
