

YOUR INVITATION

GMP Facility Grand Opening & Industry Roundtable

APRIL 16 2026

RALEIGH, NC

Join us as we open the doors to our new GMP resin manufacturing facility in Raleigh, NC.

The day will center on the challenges shaping advanced modality biomanufacturing, bringing together industry and academic experts for an open roundtable discussion and Q&A led by Professor Stefano Menegatti, alongside a facility tour and ribbon cutting ceremony. We'll conclude with a reception to continue the conversation and mark this milestone together.
