

## TFWW CONNECT

Manage your worldwide shipping operations with the click of a button

**TFWW  
connect**

integrates your existing software into the fastest and easiest transportation management system in the world.

### WHAT CAN TFWW CONNECT DO FOR YOU?

- Minimize the time and resources needed to manage shipping operations
- Retrieve specific data instantly
- Customized reports
- Invoice consolidation

All this (and more) with a click of a button.

Still not convinced? Consider the following benefits of upgrading to TFWW Connect:

- Increased profits
- Margin control
- Set accessorial pricing
- Enhanced shipments, pricing, & account tracking
- Improved customer experience
- Real-time reporting/monitoring
- Access to all TForce Worldwide Modes

## DON'T WORRY ABOUT JUMPING THROUGH HOOPS TO GET WHAT YOU WANT.

Setting up TFWW Connect is simple, easy, and included with your program costs.

If you already use TForce Worldwide, the benefits of TFWW Connect are just a call away. Our experienced support personnel will set everything up and have you enjoying the benefits of seamless shipping management before the end of the day!

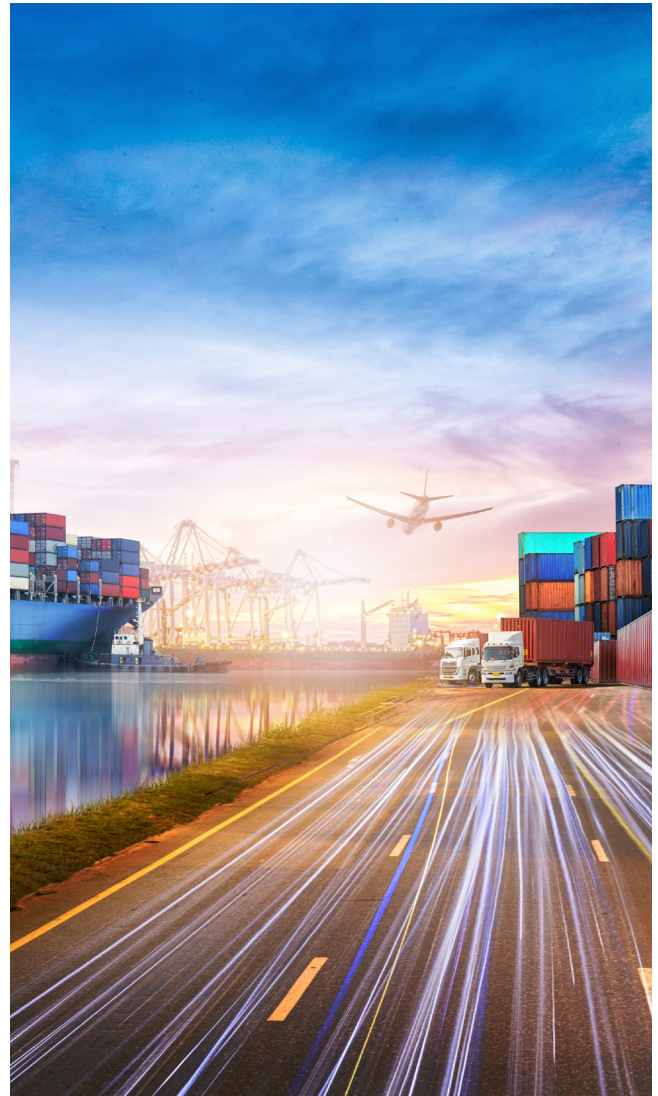

It's quick and personalized for you and your organization. TFWW Connect is a 100% user-driven platform — updates and enhancements are made based on your input.

If you're not using TForce Worldwide for your international or domestic shipments, now is the time to switch. We have everything you need to get your goods where they need to be, including:

- Volume-leveraged economies of scale
- Your choice of carriers
- Access to all transportation modes
- Access to core TFWW carrier base
- Innovative best-in-class TMS

And when managed through TFWW Connect, it's even better.

Transform everything you thought you knew about managing your shipping. Ask us about TFWW Connect today by scheduling a demo.
