NMHBA Member Rebate Program

Through this program, some of the country's leading manufacturers pay rebates as their way of thanking our members for their loyalty to their products. You may already be using many of these products, so why not get paid a rebate for something you're already doing? This program is just another example of how being an HBA member helps your company be more profitable.

Build Green New Mexico is a program offered by the Foundation for Building to certify new homes meet the extraordinary requirements to qualify for the Sustainable Building Tax Credits offered by the state. These tax credits may be applied to the purchase price of a new home or passed along to the buyer to claim during their first year of homeownership.

The New Mexico Home Builders Association is proud to partner with **The Buckner Company**, a trusted leader in employee benefits, to bring your workforce customized and affordable solutions. Through this exclusive partnership, **members gain access to a comprehensive range of health, dental, vision, and supplemental insurance options.** Our collaboration ensures access to top-tier benefits that are flexible, cost-effective, and tailored to meet the unique needs of your organization. Empower your team with the right coverage while keeping costs under control—another way we are building a stronger future together.

To learn more about how **The Buckner Company and Aflac** can support your business, please schedule an appointment with Skyler Elkins-Whitehead at skyler_elkins-whitehead@us.aflac.com or call 505.433.9081.

American One Source (AOS): AOS offers discounted Professional Employer Organization (PEO) services. Their solutions include payroll administration, benefits management, risk management, and retirement services, helping businesses streamline operations and focus on growth. AOS serves businesses across twenty-eight states. AOS can manage the complexities of business operations, allowing you to focus on what you do best. **AOS is offering a discounted rate to NMHBA members.** <https://aospeo.com/>

To schedule your appointment to learn more, contact Micah Harrison at mharrison@aospeo.com or call 915.373.0366.

In recent years, counties, cities, and homeowner's associations have been encouraging or even requiring ornamental grass and landscaping to be replaced with products that appear in good condition year-round while reducing water usage. NMHBA is partnering with a locally owned and operated distributor of high-quality turf, **Cornerstone Turf Solutions, LLC**. The turf offered by this company has been used by home builders nationwide; it has also been placed in high-end resorts and golf courses around the world, and **it is now being offered to NMHBA members at below-retail prices, translating to substantial cost savings.** Cornerstone provides a thorough training program for companies with an existing labor force; the on-site training centers around installation according to manufacturer recommendations so a warranty can be issued following installation. <https://cornerstoneturfsolutions.com/>

To learn more, schedule an appointment with Javier Silva, Owner and CEO, at 505.518.4623 or via email at Javier@CornerstoneTurfSolutions.com.

The New Mexico Home Builders Association, in partnership with [Jobing.com](https://www.jobing.com), launched a Job Board to help you find talent interested in working in the building and construction industry, including but not limited to, skilled workers. **Check out nmhba.jobing.com/jobs to get started!** **Jobing.com offers NMHBA members discounted prices.**
