2021 SCHOLARSHIP RECIPIENTS HAVE BEEN ANNOUNCED

St. Marys, GA – June 6, 2020 – The NPFDA Scholarship Foundation has awarded scholarships to five outstanding students from a vast number of qualified applicants. The NPFDA Scholarship Foundation was established in 1979. Since that time, the Foundation has awarded almost \$250,000.00 in scholarships to outstanding students. The NPFDA Scholarship Foundation, Inc. is entering its 41st year of assisting students.

Eligible applicants were from NPFDA Member Companies or were a child of an employee of a NPFDA Member Company that was enrolled full-time at a US based College or University or a graduating high school senior pursuing a college degree in the fall. To apply each student had to complete an application, write an essay, and then submit these items along with their transcripts and a faculty recommendation. The Foundation's Selection Committee reviewed each applicant's submission. Each submission was evaluated by committee members based on the goals and aspirations essay, extracurricular activities, recommendation letter and GPA. The committee member ballots were tallied, and the top five students selected. Cash awards go to the top five (\$4,000 per student).
