

North State BIA & Emerald Site Services

STORMWATER POLLUTION PREVENTION PLAN WORKSHOP

Join Austin Edwards with Emerald Site Services as he breaks down why SWPPPs matter for homebuilders and how understanding the requirements helps keep projects compliant, avoid fines, and prevent costly delays.

February 10, 2026

9 – 10AM

**North State BIA
1536 Eureka Rd, Roseville**

Key Topics:

- Help builders understand how costs and permit compliance work together under the new permit, including:
 - Hidden compliance costs and penalties
 - Budgeting and planning considerations
 - New and expanded requirements
