NATIONAL WOMEN IN ROOFING

SPONSORSHIP OPPORTUNITIES 2025

nationalwomeninroofing.org

Dear NWIR Sponsors,

Last year marked a significant phase of growth and change for National Women in Roofing. We established new processes, hired new team members and completely overhauled our technology including a new website, database/member portal and community site. Not only did these changes enable us to improve our internal efficiency, it has allowed us to create bandwidth to better serve our sponsors - companies that invest in the mission of NWIR.

As an organization of volunteers whose hands-on approach gives every person involved a vested interest in its creation and celebrations, **your support of our mission** and our four pillars: Networking, Mentoring, Recruitment and Education is instrumental in establishing our "hand-print" throughout our industry and beyond.

National Women in Roofing offers four national sponsor levels: Diamond, Platinum, Gold and Silver. In order to keep membership costs low for individual members, we depend on sponsors to help fund the programs and initiatives of the association. **We truly couldn't do it without you.**

We have come a long way in such a short time, yet we are always mindful of how much more we have yet to do! It is with the support of outstanding industry leaders like you that we can continue and expand on our mission together.
