

# Have you ever considered being an **ASSESSOR?**

- Are you a people person with a passion for learning and growth?
- Do you have a fascination for buildings and land?
- Have you always wanted to understand the property taxation process and play an integral role in municipal finance?
- Are you interested in working collaboratively with multiple levels of government?
- Do you value job security, comprehensive benefits and a pension plan?
- If you have a college degree, real estate or construction background or experience in a related field and are willing to develop your skills, then a career as an Assessor may be a perfect fit for you.
