

Director Summit

OACC WILL

- Research relevant issues board members face to build curriculum
- Recruit industry professionals to speak on each topic, supplying cooperative board members with accurate information
- Create a collaborative learning environment for board members to learn from discussion with each other
- Supply directors with tools and ideas to take back to their respective board rooms

Ideal For:

- Boards of Directors
- CEO/General Managers
- Senior Leaders

Timeline:

- One Full Day Session

Directors Summit builds on the fundamentals taught in OCDE. Directors interested in building a deeper working on knowledge of cooperative strategy, profitability distribution, equity management, governance and many other areas will benefit from Director Summit - sharpening their skills and learning to make more informed decisions.

Frequently Asked Questions:

Who should attend?

Summit was created for current directors and associate directors serving on local co-op boards.

Why should I attend?

Summit will allow you to expand your knowledge and sharpen your skills to provide quality leadership to your co-op.

Is OCDE a prerequisite?

No. OCDE is recommended, it is not required.

What if I have previously attended?

Director Summit is new each year to focus on relevant topics to your cooperative and industry.
