

**INSTRUCTORS:**

George Wenner, CSHO

Roy Williams, CSHO

George has been a Compliance Safety and Health Officer for the Ohio Public Employment Risk Reduction Program (PERRP) since 2016. He serves as a compliance officer for safety and health regulatory enforcement and performs risk-free compliance assistance services for public employers. He has 35 years of experience in the HVAC field and 12 years in safety.

Roy is also a Compliance Safety and Health Officer for PERRP, focusing on safety and health regulatory enforcement and risk-free consultative services for Ohio public employers. Roy's safety experience includes 24 years as a state employee, six years at an automotive metal stamping facility, and industrial/environmental cleaning and response.

# Outdoor Equipment Safety

**1:00 p.m. - 3:00 p.m.****June 9, 2022**

Operating high-hazard equipment improperly can result in serious injuries. In this webinar, we will cover proper training, maintenance, inspection, and safe operation of various off-road equipment. You will learn how to evaluate your work location to conduct safe work activities.

\* BWC is accredited by IACET to offer 0.2 CEUs for this webinar. Completion of this webinar also qualifies for a variety of BWC discount program credits based on employer participation.

- To receive online training credit for BWC programs, provide a BWC policy number during registration, attend the whole session, and pass the knowledge assessment.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. It is recommended you click the link within your email approximately five minutes before start time.
