You are more than welcome to come and go whenever you need to throughout the day!

Pink Boots Collaboration Brew Day® (CBD) is an international celebration of women and non-binary individuals in the fermented/alcoholic beverage industry — a movement to recognize the impact they have on our industry. Each year, registered teams brew beer and participate in Collaboration Brew Day, donating portions of the proceeds of their sales to help fund scholarships that support the Pink Boots mission to assist, inspire, and encourage the professional development and education of women and non-binary individuals in our industry. It is our largest, annual fundraising event.
